

# 2024 ASDS Annual Meeting Embargo Policy for Abstracts

Press releases that contain data and findings from an industry abstract, live oral abstract or video abstract can be released on **Sunday, Oct. 20.**

Press releases for the abstracts submitted as part of the 2024 ASDS Annual Meeting can contain only the information shown below **unless they are published on Sunday, Oct. 20 after the live abstract sessions have concluded**; they cannot state that “Company” is the author or the presenter of any video oral abstracts:

“Title of Abstract” will be presented by “Physician Name/Primary Author” during the ASDS Annual Meeting on “session date” at “session time” CT.

The oral abstract presenters have signed recording consents with ASDS for video presentations, with the consent duration encompassing the event dates (Oct. 17-20, 2024). ASDS will not release these recordings for any other use.

Questions can be directed to [education@asds.net](mailto:education@asds.net).
