

The Ultimate Investment in the Future

The ASDS Dermatology Advancement Fund (DSAF) relies on the generous support of donors like you. It provides financial support for research and other activities focusing on the advancement of dermatologic surgery.

Give Today:

Support the specialty's future in three important areas:

1. Research directed toward immediate issues facing clinical practice.
2. Increasing public awareness about the scope of practice of dermatologic surgeons.
3. Educating consumers on patient safety and the importance of choosing qualified physicians.

DSAF donors know that increased public awareness of the specialty enhances its reputation, and they understand that patient education drives consumers to seek qualified health providers – members of ASDS.

Be a DSAF contributor — every donation counts.

Giving Options:

Stegman Circle donors make an impact on the future of dermatologic surgery by funding ASDS initiatives. This fund is named after legendary dermatologic surgeon Samuel J. Stegman, MD, for his innovative leadership and tireless advocacy for the specialty.

Planned gifts leave a lasting legacy and inspire others by remembering DSAF in your will or estate plans. Receive financial and tax benefits while ensuring DSAF has resources for the future.

Tribute donations celebrates a colleague, family member or friend's life achievements or milestones with donations that help ASDS carry out its mission.

Ways To Donate:

Phone: 847-956-9128

Online: asds.net/dermasurgery-advancement-fund

Mail: Make check payable to "ASDS Dermatology Advancement Fund" and mail to ASDS, 5550 Meadowbrook Drive, Suite 120, Rolling Meadows, IL 60008

We invite you to partner with ASDS to improve our specialty!
